🥫 COMMUNITY CARE DRIVE 🕊️

Because No One Should Go Hungry.

If you or someone you love will be affected by the **SNAP benefit reductions starting November**, you're not alone — and we're spreading the word throughout our communities so neighbors can be there for you.

We're organizing a **local drive** to collect and redistribute food, baby supplies, and other essentials to families, individuals, and pets in need — all within **one square mile of _____ (park, landmark, etc.)**.

Have a car and want to help or ask driver to pick-up your goods? **Text:** _____

We've created an easy **sign-up form (scan below)** to let us know:
