Hello future interns,

My name is Indra Ramirez, and I'm one of the Managers of Work-Based Learning with Best Buddies Project SEARCH. I'm really excited to have you in the program and to support you through the onboarding process!

You should have already received a checklist with all the steps to get started. I'd love to check in and see how things are going so far. When you get a chance, please reply to this email and let me know:

- Have you created your UC Davis Volunteer Profile? If so, what step are you on?
- Have you uploaded your medical records to the volunteer website (not just emailed them)?
- Have you sent your profile photo to michellegentry@bestbuddies.org?

Once everything is done, don't forget to email Michelle to confirm that you're all set.

Quick reminder:

We have Orientation coming up on **Wednesday, July 17th, from 5:00–6:00 PM on Zoom**. It's important that you attend so you can get a solid overview of the program and what to expect.

Feel free to reach out if you have any questions or need help with the onboarding. The best way to reach me is by email, but my phone number is also in my signature below if you need it.

I look forward to hearing from you all!

Kindly,

Indra Ramirez-Ceja
