TRUSTED SOURCES
INSPIRING DEEPER CONNECTIONS

About Us

At Trusted Sources, we help families build resilience and connection before crisis hits. Our mission is to strengthen parents, students, and faith leaders through practical education, relationship-based prevention, and trusted referrals to vetted professionals. We believe true prevention starts with connection—at home, in schools, and in faith communities.

Mission And Vision

Mission: Trusted Sources helps families grow stronger by teaching practical tools, fostering meaningful connections, and, when needed, guiding them to trusted clinical care—all so they can thrive mentally, spiritually, and relationally.

Vision: A community where every family is equipped with the knowledge, tools, and relationships to navigate mental health and life's challenges—rooted in faith, strengthened by truth, and sustained by love.

Why Sponsor Trusted Sources?

Your sponsorship fuels programs that strengthen families and bring hope into the spaces that need it most. Each of our recurring programs creates deep, lasting impact, but these small-group environments depend on steady support to sustain their reach.

By sponsoring, you aren't just placing a logo on an event—you're linking your name to hope, healing, and stronger families.

Our Core Programs

Mom to Mom is a Faith-centered support group where mothers find encouragement, practical tools, and connection to community and clinical resources.

FUSE, Christ-centered gatherings that empower middle and high school students to build real friendships, strengthen faith, and discover purpose beyond screens.

Fatherhood Series: A 3-week experience helping dads lead with calm confidence, faith, and intentionality—equipping them to strengthen their homes one week at a time.

The Trusted Network (Referral Program) We connect families to vetted, faith-aligned and professional resources through one-on-one consultations and our referral network. Families using trusted referrals experience faster healing, stronger outcomes, and peace of mind knowing their care team is aligned with their values.

How Your Support Makes a Difference

Every dollar helps a family find connection and hope. Sponsorships fund program materials, outreach events, small group resources, and direct consultation time for families in crisis. Together, we can prevent isolation, restore connection, and build a stronger, faith-rooted community.

Thank You!
